

The Imusify team from 2022 has no affiliation nor connection to Imusify Initial Coin Offering (ICO) from 2018-2019. We made official registration of Imusify domain and we plan to build the website to be the ultimate hub to connect musicians and music fans with global blockchain music projects.

The new Imusify has no plan to issue any kind of ICO nor any kind of token. Not every crypto-related project needs a token
